NAADAC, The Association for Addiction Professionals, in partnership with the Van Wagner Group pleased to offer a new tool to find health insurance options. Health insurance programs can be found on-line through Van Wagner's association with the e-health insurance plan.

"Many of NAADAC's members haven't had access to affordable and quality health insurance. In partnership with the Van Wagner Group, we're helping NAADAC's members find health insurance options," said NAADAC President Mary Woods, RNC, LADC, MSHS.

NAADAC members interested in finding out more about health insurance can get more information by visiting [www.vanwagnergroup.com](http://www.vanwagnergroup.com) and clicking on the "health insurance" option.
