Addiction Recovery:

A Selected Bibliography with an Emphasis on Professional Publications and Scientific Studies (January 2014)

William L. White, M.A.
(bwhite@chestnut.org)

Introduction

This topical bibliography is intended as a supplement to a recovery management monograph series developed through the sponsorship of the Center for Substance Abuse Treatment’s Great Lakes Addiction Technology Transfer Center, the Institute for Research Education and Training in Addiction, and the Philadelphia Department of Behavioral Health and Developmental disAbilities. It is hoped this will help interested readers locate classic and important contemporary papers related to the resolution of alcohol and other drug problems. Many key documents related to recovery management and recovery-oriented systems of care are also posted at the following web sites:
