

New to the addiction profession? Need a refresher courses?

Gain Introduction to Addiction Counseling continuing education through NAADAC.

Homestudy

[**The Basics of Addiction Counseling Desk Reference and Study Guide, Tenth Edition**](#) has aided many addiction professionals in attaining their state and national credentials with its thorough and easy to understand descriptions of counseling concepts.

The Basics

can also be used as a quick reference tool for clinicians to use throughout their careers.

- [**Module I: Pharmacology of Psychoactive Substance Use, Abuse and Dependence**](#) -

This module outlines the pharmacological effects of each substance of abuse, drug interactions and treatment considerations.

- [**Module II: Addiction Counseling Theories, Practices and Skills**](#) - This module addresses issues critical to clinicians and includes descriptions of individual counseling theories, family therapy, group therapy and multicultural considerations.

- [**Module III: Ethical and Professional Issues in Addiction Counseling**](#) - This module provides a detailed explanation of the NAADAC Code of Ethics, with examples, application questions and case studies to augment understanding.

Enhance your learning by ordering the Independent Study Examination that supplements each module. Successful completion of these exams earn up to 42 CEs (between 12 and 16 CEs per exam) and help prepare for key concentration areas found on state and national certification exams.
