

***Healing the Addicted Brain: Cutting Edge Science and Brain Neurochemistry***

**Archived:** Click here to [download this one-hour webinar](#) for free! Take this [online CE Quiz](#) to earn credit for your time.

**Download:** [PowerPoint Slides](#) and [Live Event Q&A](#)

**Description:** Findings from decades of NIH research on alcoholism and addiction rarely find their way into clinical addiction treatment programs. Consequently, this session's purpose is to provide accurate, scientifically excellent information about alcohol and drug addiction treatment which can allow addicts to control cravings and reduce the physical brain injury caused by addiction, in order to inspire hope in the attendee. This session can provide valuable information for the entire court team and treatment providers including those working with clients with limited treatment resources.

**Price:** Education is FREE to all professionals

**Earn Continuing Education Credit:** All applicants for CE credit are required to complete and pass [this online CE Quiz](#) after viewing the webinar.

Members of NAADAC or AccuCare Subscribers receive a Certificate of Completion for 1 CE for free. Non-members of NAADAC or Non-subscribers of AccuCare receive 1 CE for \$15 (make payment
