

**Corrections Corporation of America (CCA) is the nation's largest provider of detention and corrections services to governmental agencies. Founded in 1983, the company is headquartered in Nashville, Tennessee and employs more than 16,000 professionals nationwide. CCA joined the NYSE in 1994 and trades under the symbol CXW. You can find out more about our organization at: [www.correctionscorp.com](http://www.correctionscorp.com)**

**Position: Part-time Consultant - Addictions Treatment & Behavioral Programming**

Duties:

- Conduct compliance audits of Addictions Treatment Programs in correctional settings for compliance with program standards, clinical protocols, contractual requirements, and prevailing regulations.
- Provide training on the operation of multiple modalities of evidence-based addictions treatment programming - in both pre-service and in-service settings.
- Prepare analysis of program performance, client progress, and staff performance following reviews. Develop recommendations for program improvement, continuing care plans, staff development, and training needs.

Qualifications:

- A Master's Degree from an accredited university in an addictions treatment related field.
- Licensed as an Addictions Treatment professional qualified to practice in the state of residence.
- Experience in the administration of addictions treatment program(s). Criminal Justice experience preferred.
- Knowledge of the operation of therapeutic communities in criminal justice settings preferred.
- Knowledge of evidence based behavioral approaches to addictions treatment and supporting theories.
- Experience in training and staff development as it relates to treatment programming.
- Experience in the provision of Clinical Supervision of treatment staff.

Expectation:

- The ability to travel for extended periods of time to conduct audits, program reviews, and conduct training at various sites across the country.
- The ability to prepare and utilize computer based training materials, reports, and support documents.
- The ability to provide detailed verbal presentations to facility management teams as to findings, recommendations, and services delivered.

Compensation is negotiable and commensurate with experience and abilities. Travel costs will be paid apart from billing for services provided.
