

NAADAC strives to provide quality education to addiction professionals. Sometimes, NAADAC staff are not available to personally present certain topics and need to reach out to vetted and qualified trainers across the United States to fill this need.

The NAADAC Speakers Bureau is an invitation-only program that is intended to showcase the skills and expertise of NAADAC members and other skilled professionals that are ready at a moment's notice to present on addiction-related topics. Participants invited into this program has evidenced his or her specialized skills in a specific area or areas of expertise.

**Providers:** In search of a trainer in your area or on a particular topic? Feel free to contact these qualified presenters directly with the contact information below, or email [misti@naadac.org](mailto:misti@naadac.org) for more information.
