NAADAC Free Webinar Series

NAADAC is happy to offer free addiction-specific education through its Free Webinar Series. The 2020 Free Webinar Series covers the following topics, which are then captured and made available for future viewing in NAADAC’s Free On-Demand Webinars Library.

NAADAC members can get free continuing education hours (CEs) for this webinar series. While viewing the education & free nonmembers should log into CEV, click here to learn which organizations accept NAADAC CEs.

For access to CEs as a registered attendee:

1. Participate in a webinar by watching the live event or on-demand recording in its entirety. Each individual must register for the webinar and watch the entire presentation, which we will verify with our time-tracking software. Note that downloading and viewing the PowerPoint slides is not considered participation. You must register for and watch the presentation.
2. Successfully pass the associated online CE quiz that is related to the webinar content.

Description

The COVID-19 pandemic has drastically impacted SUD treatment and prevention programs worldwide. Along with the impact on society, treatment professionals must also ensure challenges with patients' access to treatment, an ongoing opioid epidemic, and crisis impacting those related issues. Addiction professionals are healers, empathizers, liaisons, and guides, many people in recovery. Register now for this panel discussion to better understand the impact of COVID-19 on the addiction profession. Connect with leading experts on these critical areas that impact every professional helper – leadership within the overall integrated care system, workplace trauma, and current issues with opioid use disorder.
