

NAADAC 2020 Annual Conference

Learn • Connect • Succeed

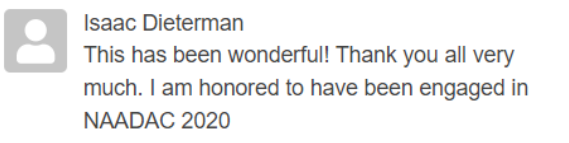

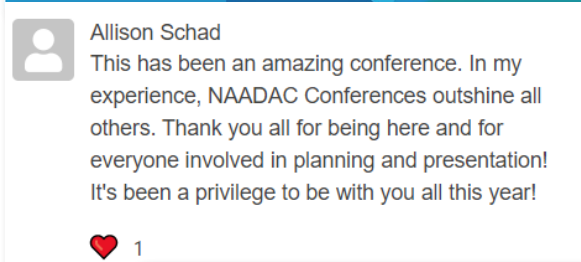

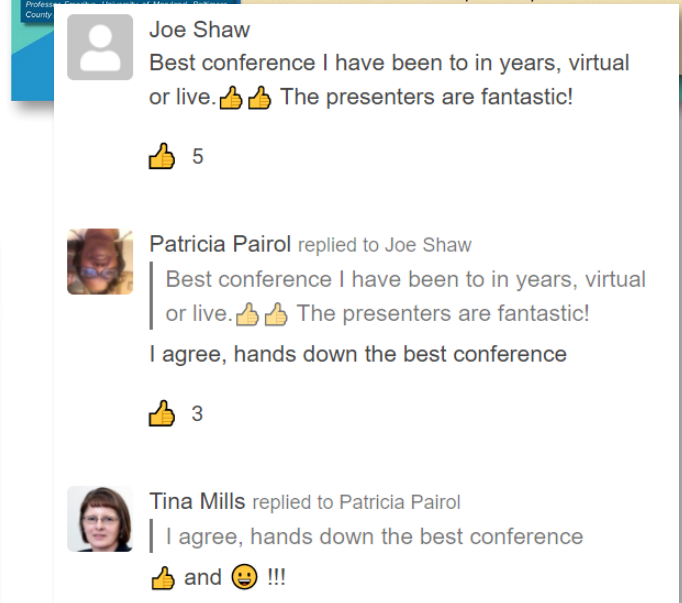

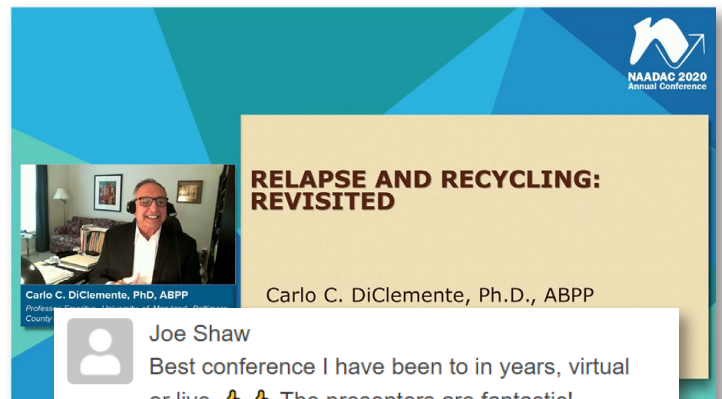

September 24 – 26 | A Virtual Experience

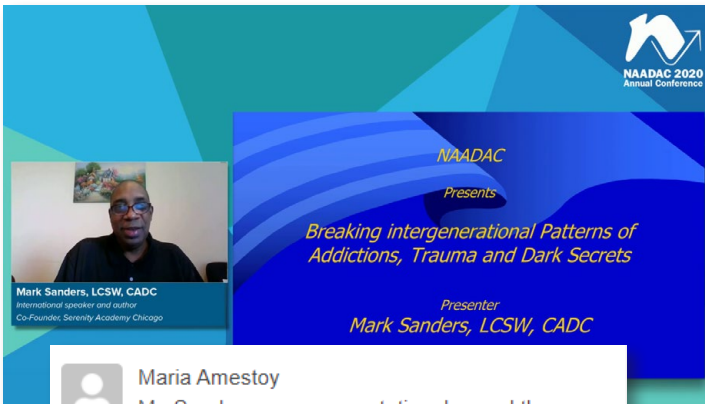

NAADAC 2020 Annual Conference: *Learn, Connect, Succeed*, Was a Huge Success!

This year has been challenging, but thanks to our wonderful NAADAC community, we were able to not only host our very first virtual conference, but we were also able to connect, network, and revitalize on a global level!

Over 1,300 attendees from all 50 states and 13 countries and 35 virtual exhibitors spent three days connecting on NAADAC's Annual Conference Virtual Platform. Attendees included NAADAC members, addiction professionals from all around the world, nationally recognized speakers, exhibitors, and sponsors. Attendees received up-to-date information from the top industry experts on the latest trends, practices, and critical issues that impact addiction professionals, built their businesses and networks, and had fun!

This year's conference featured trainings in five subject tracks that are particularly relevant and important to addiction professionals practicing in today's world: cultural humility & social responsibility, advanced addiction treatment skills, peer recovery support, telecounseling and other uses of technology, and trauma-related care.

Mr. Sanders, your presentation, beyond the great information you kindly shared, it change my life

NAADAC would like to give special thanks to all of the attendees who made our first virtual conference an amazing experience. The community, connection, and camaraderie felt by all who attended made this year our best conference yet!

NAADAC would also like to extend its warm gratitude to our impressive lineup of featured speakers and breakout session presenters for their contributions to the event as well as our sponsors for their generous support.

 **Linda Higgins**
It gave me additional strength to keep moving forward!

 **Jill Overton**
I'm so proud of our field and the level of knowledge of the presenters was amazing. We are all doing such valuable work on so many levels. I'm inspired and devoted to helping the mom's and babies that I'll return to on Monday.
