## EVENTS

### Saturday, October 6

NAADAC is excited to welcome Letter to My Mother to the NAADAC 2018 Annual Conference.

In addition to a special exhibit that will be available throughout the three-day conference, we invite you the Letter to My Mother film viewing and panel on Saturday evening, October 7.

Letter to My Mother is a visual and literary body of work created by artist Branislav Jankic that reveals an impactful look into the lives of mothers suffering from addiction in the United States. The project strives to lift the stigma of addiction and create an international support system for those suffering from this disease, particularly mothers.

When the artist's mother, a former prescription drug and alcohol addict, was diagnosed with lung cancer in November 2012, Jankic, who had experienced his own struggles with addiction throughout his teenage years, began writing a letter to his mother expressing his regrets for their dismantled relationship and his misunderstanding of her struggles, hoping to show both love and forgiveness.

### Monday, October 8

On Monday, October 8, join comedian Mark Lundholm for his hilarious and hopeful, controversial and caring show "Perfekty Broken." Hang onto your seats as this quickly-paced, all original, PG-35 rated comedy will enlighten, entertain, and inspire.

Lundholm has performed in all 50 states and 10 foreign countries. From world-renowned musicians, heads of state, Fortune 500 companies to rehabilitation centers and convicted felons, Lundholm has truly entertained on the world's stage.

He's appeared on Comedy Central, Showtime, A&E, CBS, and NBC. Lundholm wrote and performed his own one-man show off-Broadway in New York City reaching critical acclaim, and in his spare time created the now staple DVD series 'Humor in Treatment' and the Recovery Board Game. We're excited to have him join us in Houston!
