

Twenty Years of PRIDE: Celebrating the History of Substance Use Treatment for LGBT Individuals

Anne Helene Skinstad, Ph.D.
Native Center for Behavioral Health,
Department of Community and Behavioral
Health
University of Iowa College of Public Health

1

A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals.

- In 1998 SAMHSA gathered a consensus panel that developed the publication:
- A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals (SAMHSA, DHHA 2001).
- Authors of the different chapters have contributed to the field in a major way

2

Curriculum Development

- Dr. Barbara Warren and Eli Neely (2003) were given the opportunity to develop a curriculum based on the A Provider's Introduction to Substance Abuse Treatment for Lesbian, Gay, Bisexual, and Transgender Individuals
- Ed Craft, SAMHSA Government Program Officer contacted the Prairielands ATTC' Center of Excellence in treatment of SUD in LGBT identified clients

3

First edition of the LGBT Curriculum

In 2006, Prairielands ATTC adapted the SAMHSA publication into a training curriculum

4

Roll out of the training program (2006 – 2012)

- No change to the content of the curriculum
- Awareness raising campaign
 - Promotional Material were developed
 - Sent to all 50 Single State Authorities (SSAs) across the country
 - All 10 SAMHSA RAs
 - All 10 HRSA Administrators
 - 12 Indian Health Service Area Directors
- Training-of-Trainer (TOT) program,
 - Trainer Dr. Tom Freese, Director of the Pacific Southwest ATTC
 - Developed a core group of trainers
 - Focused on training with Fidelity
 - Curriculum translated into Spanish by the Caribbean Basin and Virgin Islands ATTC
 - Trainers and Staff across the country provided TA to states and Institutions that wanted to develop and maintain an LGBTQ Friendly program and treatment approach.

5

YMSM+LGBT Center of Excellence (CoE)

Center of Excellence (CoE) for Racial/ethnic Minority Young Men Who Have Sex with Men (YMSM) and other Lesbian, Gay, Bisexual, and Transgender (LGBT) Populations.

8

Day-long training curriculum

9

Today's LGBT Curriculum, 2nd Edition

- The curriculum is designed to develop provider skills in delivering culturally responsive prevention and treatment services for LGBT populations.
- Content focus areas include: physical health, substance abuse treatment, mental health, and other health related concerns for LGBT populations.
- The curriculum also provides treatment strategies and considerations for clinical work that have been effective with LGBT populations.
