100,000+ Addiction Counselors

14,000+ Recovery Centers
BEHAVIORAL HEALTH is #1 PUBLIC HEALTH ISSUE

Addiction, Mental Health, Relationship

Consequences

10.2m
Approximately 10.2 million adults have co-occurring mental health and addiction disorders.¹

Treatment in America

60%
Nearly 60% of adults with a mental illness didn’t receive mental health services in the previous year.⁶

50%
Nearly 50% of youth aged 12-18 didn’t receive mental health services in the previous year.⁷

$212+ Billion lost in Enterprise productivity
MARKET IS READY TO BE DISRUPTED

Healthcare Laws are Changing

- **Parity of Service**
  32 States require insurance plans to cover telehealth

- **Parity of Payments**
  State laws require parity of payments for telehealth

- **Center for Medicare & Medicaid**
  Starting to cover telehealth for mental health and substance abuse

Highly Fragmented Market

- **Counseling Practices**
  Independently owned practices

- **Addiction Centers**
  Small to medium facilities

- **Client Acquisition**
  Highly inefficient, 1-800 call numbers

- **Modern Communications**
  Lack HIPAA compliant communication services

Changing Consumer Behavior & Expectations

- **Convenience & Confidentiality**
  Counseling at the location of their choice and on their schedule

- **Optimal care**
  Connect with the right provider

- **Mobile devices**
  Smartphones and faster connectivity
  (e.g. Groceries, movies, food, home services etc.)

HIPAA compliant secure communications are becoming a MUST HAVE service.
