

# Group Presentation Rubric

Course: 22.FA.MHT.2137.100 Treatment Techniques

| Criteria  | Excellent<br>10 points | Above Average<br>8 points | Average<br>7 points | Below Average<br>6 points | Does Not Meet<br>0 points | Criterion Score |
|---|------------------------|---------------------------|---------------------|---------------------------|---------------------------|-----------------|
| <p>Group members introduced themselves and agenda for the presentation was shared at the beginning. There were materials utilized and/or passed out in class to aid classmate involvement. Classmates were actively encouraged to engage in the learning process.</p> |                        |                           |                     |                           |                           | / 10            |

| Criteria   | Excellent<br>10 points | Above Average<br>8 points | Average<br>7 points | Below Average<br>6 points | Does Not Meet<br>0 points | Criterion Score |
|--|------------------------|---------------------------|---------------------|---------------------------|---------------------------|-----------------|
| Presentation was balanced between all group members. Each member shared segments of his/her own video and taught about the interaction. The teaching was both accurate and meaningful. |                        |                           |                     |                           |                           | / 10            |

| Criteria  | Excellent<br>10 points | Above Average<br>8 points | Average<br>7 points | Below Average<br>6 points | Does Not Meet<br>0 points | Criterion Score |
|---|------------------------|---------------------------|---------------------|---------------------------|---------------------------|-----------------|
| Presentation was organized and there was evidence that the group worked together to develop the presentation and materials developed and shared |                        |                           |                     |                           |                           | / 10            |
| The presentation was between 20-30 minutes in length.   |                        |                           |                     |                           |                           | / 10            |

| Criteria  | Excellent<br>10 points | Above Average<br>8 points | Average<br>7 points | Below Average<br>6 points | Does Not Meet<br>0 points | Criterion Score |
|---|------------------------|---------------------------|---------------------|---------------------------|---------------------------|-----------------|
| Group members answered students' questions at the end of the presentation and accepted feedback in a constructive manner. |                        |                           |                     |                           |                           | / 10            |
