## Now That You Know It....

---

- While this may seem simple, this is how we teach our students.
- Recognize
- Memorize
- Create
- Organize
- Utilize
- Understand words in “context”
- Consult with others

8

## IT DEPENDS

---

- In counseling, students need to demonstrate, in a context with a client, the skills they are taught and have learned.
- How can we do this as educators?

9

## MHT 2137 Treatment Techniques in Substance Use Disorders
